BB/F010370/1	Yes	A community resource for wheat functional genomics	University of Bristol	2006	£370,992.38	£370,992.38	Active	Current	10	14	2006
BB/F010583/1	BB/F010605/1	A modelling portal for the UK plant systems biology community	University of Edinburgh	2006	£189,380.92	na	Active	Completed			
BB/F010605/1	Yes	A modelling portal for the UK plant systems biology community	Aberystwyth University	2006	£157,579.59	£346,960.51	Active	Completed			
BB/F010451/1	Yes	An Integrated CATH Resource for the Postgenomic Era	University College London	2006	£816,262.89	£816,262.89	Active	Current			
BB/F010591/1	Yes	An integrated informatics and resources platform for Reverse Genetics in dicots (RevGenUK)	John Innes Centre	2006	£852,489.29	£852,489.29	Active	Current			
BB/F010516/1	Yes	BioModels Database: a Unified resource for Systems Biology models	EMBL - European Bioinformatics Institute	2006	£525,241.51	£525,241.51	Active	Current			
BB/F010435/1	BB/F010508/1	Embracing new technologies to streamline improve and sustain InterPro and its contributing databases	The Wellcome Trust Sanger Institute	2006	£307,341.20	na	Active	Current			
BB/F010508/1	Yes	Embracing new technologies to streamline improve and sustain InterPro and its contributing databases	EMBL - European Bioinformatics Institute	2006	£678,472.01	£985,813.21	Active	Current			
BB/F010397/1	Yes	FlyAtlas: a comprehensive online atlas of gene expression in Drosophila	University of Glasgow	2006	£271,095.71	£271,095.71	Active	Completed			
BB/F010346/1	Yes	Support for the Protein Circular Dichroism Data Bank and the Dichroweb Analysis Server	Birkbeck College	2006	£430,567.00	£677,358.18	Active	Current			
BB/F010362/1	BB/F010346/1	Support for the Protein Circular Dichroism Data Bank and the Dichroweb Analysis Server	Queen Mary University of London	2006	£246,791.18	na	Active	Current			
BB/F010486/1	Yes	The BioGRID Database: An Open International Resource for Biological Interactions	University of Edinburgh	2006	£930,620.83	£930,620.83	Active	Current			
BB/F01046X/1	Yes	Web Services 4 Life Sciences: A Curated Catalogue of Life Science Web Services*	The University of Manchester	2006	£316,887.81	£569,794.79	Active	Completed			
BB/F010540/1	BB/F01046X/1	Web Services for Life Sciences Catalogue (WS4LS)*	EMBL - European Bioinformatics Institute	2006	£252,906.98	na	Active	Completed			
BB/G022569/1	Yes	A Community Resource for the Prediction of Protein Structure: PHYRE	Imperial College London	2008	£311,004.21	£311,004.21	Active	Current	12	13	2008
BB/G022747/1	Yes	Continued development of the ChEBI database and ontology for improved interoperability with biomedica	EMBL - European Bioinformatics Institute	2008	£542,326.33	£542,326.33	Active	Current			
BB/G022607/1	Yes	Development of a web-based resource for the Macrophage Research Community	University of Edinburgh	2008	£312,979.92	£312,979.92	Active	Current			
BB/G02264X/1	Yes	EMBOSS: European Molecular Biology Open Software Suite	EMBL - European Bioinformatics Institute	2008	£749,880.71	£749,880.71	Active	Completed			
BB/G022674/1	Yes	Expanding the ComBase database and developing new tools for its modelling toolbox	Institute of Food Research	2008	£238,307.84	£238,307.84	Active	Current			
BB/G022658/1	Yes	GridQTL+: High performance web-based genetic analyses for the biosciences	University of Edinburgh	2008	£593,278.19	£593,278.19	Active	Current			
BB/G022623/1	Yes	miRBase: microRNA gene nomenclature sequences and targets	The University of Manchester	2008	£473,819.29	£473,819.29	Active	Current			
BB/G022771/1	Yes	Support for the SUPERFAMILY protein domain resource.	University of Bristol	2008	£684,409.63	£684,409.63	Active	Current			
BB/G022577/1	Yes	The Electron Microscopy Data Bank	EMBL - European Bioinformatics Institute	2008	£369,764.37	£634,934.27	Active	Current			
BB/G022585/1	BB/G022577/1	The Electron Microscopy Data Bank	University of Dundee	2008	£265,169.90	na	Active	Current			
BB/G022682/1	Yes	The Jalview Resource for Sequence Analysis and Annotation - www.jalview.org	University of Dundee	2008	£542,923.83	£542,923.83	Active	Current			
BB/G022666/1	Yes	The Roslin Institute TSE Resource Centre	University of Edinburgh	2008	£282,751.77	£282,751.77	Active	Current			
BB/G022755/1	Yes	VBO - A Tool for Bridging Vertebrate Anatomy Ontologies	EMBL - European Bioinformatics Institute	2008	£103,173.49	£103,173.49	Active	Completed			
BB/I000631/1	BB/I00095X/1	An Integrated Open Source Software Resource for Quantitative Proteomics	The University of Manchester	2009	£222,351.35	na	Active	Current	10	20	2009
BB/I000909/1	BB/I00095X/1	An Integrated Open Source Software Resource for Quantitative Proteomics	EMBL - European Bioinformatics Institute	2009	£228,575.38	na	Active	Current			
BB/I00095X/1	Yes	An Integrated Open Source Software Resource for Quantitative Proteomics	University of Liverpool	2009	£186,752.96	£846,673.29	Active	Current			
BB/I001131/1	BB/I00095X/1	An Integrated Open Source Software Resource for Quantitative Proteomics	Cranfield University	2009	£208,993.60	na	Active	Current			
BB/I001271/1	Yes	Arabidopsis.info	University of Nottingham	2009	£780,792.36	£780,792.36	Active	Current			
BB/I001107/1	Yes	BioLayout Express3D: A Community Resource for the Network Visualisation and Analysis of Biological Data	University of Edinburgh	2009	£348,540.84	£348,540.84	Active	Current			
BB/I000984/1	BB/I001042/1	CARMEN e-Science Portal	University of York	2009	£703,645.45	na	Active	Current			
BB/I001042/1	Yes	CARMEN e-Science Portal	Newcastle University	2009	£202,890.97	£906,536.42	Active	Current			
BB/I000755/1	Yes	Intuitive Large-scale Image Processing for Biologists	University of Dundee	2009	£350,064.06	£562,462.36	Active	Current			
BB/I001662/1	BB/I000755/1	Intuitive Large-scale Image Processing for Biologists	University of Edinburgh	2009	£212,398.30	na	Active	Current			
BB/I000933/1	Yes	MetaboLights: Creating the missing Metabolomics community resource	EMBL - European Bioinformatics Institute	2009	£863,381.90	£863,381.90	Active	Current			
BB/H024921/1	BB/I000917/1	Omics Data Sharing: the Investigation / Study / Assay (ISA) Infrastructure	The University of Manchester	2009	£12,535.43	na	Active	Current			
BB/I000771/1	BB/I000917/1	Omics Data Sharing: the Investigation / Study / Assay (ISA) Infrastructure	University of Oxford	2009	£819,748.66	na	Active	Current			
BB/I000860/1	BB/I000917/1	Omics Data Sharing: the Investigation / Study / Assay (ISA) Infrastructure	EMBL - European Bioinformatics Institute	2009	£11,188.23	na	Active	Current			
BB/I000917/1	Yes	Omics Data Sharing: the Investigation / Study / Assay (ISA) Infrastructure	NERC Centre for Ecology and Hydrology	2009	£173,253.97	£1,016,726.29	Active	Current			
BB/I000488/1	BB/I001077/1	PhytoPath: an integrated resource for comparative phytopathogen genomics	Rothamsted Research	2009	£278,242.98	na	Active	Current			
BB/I001077/1	Yes	PhytoPath: an integrated resource for comparative phytopathogen genomics	EMBL - European Bioinformatics Institute	2009	£433,595.37	£711,838.35	Active	Current			
BB/I000712/1	BB/I000607/1	Provision of TILLING resources and platforms in wheat	John Innes Centre	2009	£157,900.03	na	Active	Current			
BB/I000607/1	Yes	Provision of TILLING resources and platforms in wheat.	Rothamsted Research	2009	£176,902.13	£334,802.16	Active	Current			
BB/I00016X/1	Yes	The sRNA Workbench	University of East Anglia	2009	£334,572.19	£334,572.19	Active	Current			
BB/I025956/1	Yes	A Functional Genomics Toolkit for the Wheat Pathogen Mycosphaerella graminicola	University of Exeter	2010	£867,091.49	£867,091.49	Active	Current	8	18	2010
BB/I025263/1	BB/I025751/1	Accessible resource for integrated epigenomics studies (ARIES)	Newcastle University	2010	£264,942.32	na	Active	Current			
BB/I025751/1	Yes	Accessible Resource for Integrated Epigenomics Studies (ARIES)	University of Bristol	2010	£1,186,455.00	£1,451,397.32	Active	Current			
BB/I02593X/1	Yes	An integrated variant calling pipeline for third-generation sequencing technologies	University of Oxford	2010	£626,048.00	£626,048.00	Initiating	Current			
BB/I025840/1	BB/I02612X/1	BUILDING A GLOBAL METAGENOMICS PORTAL ("MGportal") TO HANDLE NEXT-GENERATION SEQUENCING DATA AND ASSOCIATED METADATA	University of Oxford	2010	£557,247.94	na	Active	Current			
BB/I02612X/1	Yes	BUILDING A GLOBAL METAGENOMICS PORTAL ("MGportal") TO HANDLE NEXT-GENERATION SEQUENCING DATA AND ASSOCIATED METADATA	EMBL - European Bioinformatics Institute	2010	£523,450.77	£1,080,698.71	Active	Current			
BB/I025328/1	Yes	Ensembl and enabling genetics and genomics research in farmed animal species	University of Edinburgh	2010	£318,420.63	£834,014.11	Initiating	Current			
BB/I025360/1	BB/I025328/1	Ensembl and enabling genetics and genomics research in farmed animal species	Wellcome Trust Sanger Institute	2010	£255,973.08	na	Initiating	Current			
BB/I025506/1	BB/I025328/1	Ensembl and enabling genetics and genomics research in farmed animal species	Wellcome Trust Sanger Institute	2010	£259,620.40	na	Initiating	Current			
BB/I026014/1	Yes	Further development of the PSIPRED server into an integrated tool for systems biology and functional gen	University College London	2010	£302,891.58	£302,891.58	Active	Current			
BB/I024984/1	BB/I025050/1	GENOME-3D: UK network providing structure-based annotations for genotype to phenotype studies	University of Cambridge	2010	£64,974.93	na	Active	Current			
BB/I024917/1	BB/I025050/1	GENOME-3D: a UK network providing structure-based annotations for genotype to phenotype studies	MRC Centre Cambridge	2010	£62,391.50	na	Initiating	Current			
BB/I02500X/1	BB/I025050/1	GENOME-3D: a UK network providing structure-based annotations for genotype to phenotype studies	University of Bristol	2010	£69,511.31	na	Active	Current			
BB/I025050/1	Yes	GENOME-3D: a UK network providing structure-based annotations for genotype to phenotype studies	University College London	2010	£294,318.71	£633,407.77	Active	Current			
BB/I025271/1	BB/I025050/1	GENOME-3D: a UK network providing structure-based annotations for genotype to phenotype studies	Imperial College London	2010	£87,417.29	na	Active	Current			
BB/I02576X/1	BB/I025050/1	GENOME-3D: a UK network providing structure-based annotations for genotype to phenotype studies	EMBL - European Bioinformatics Institute	2010	£54,794.03	na	Initiating	Current			
BB/I025891/1	Yes	RevGenUK, the next generation: establishing a TILLING boutique for a UK-based reverse genetics commun	John Innes Centre	2010	£608,334.38	£796,122.45	Initiating	Current			
BB/I026030/1	BB/I025891/1	RevGenUK, the next generation: establishing a TILLING boutique for a UK-based reverse genetics commun	TGAC	2010	£187,788.07	na	Initiating	Current
