

## **ANNEX: India**

*Please use this Country Annex in addition to the standard International Partnering Awards guidelines.*

### **Scope:**

Up to £30,000 is available over a period of 4 years

### **Agricultural Data Highlight:**

BBSRC welcomes applications from BBSRC grant holders, focussing on Agricultural data use and interpretation. Partnerships involving researchers and strategic programmes funded by the Department of Biotechnology (DBT) in India are particularly welcome.

Applicants should ensure that the title of their application begins with 'Agricultural Data Highlight'.

### **Application Checklist:**

*Please refer to this checklist in addition to the checklist in the standard guidance document.*

- ✓ The project title starts with 'India Partnering Award:'

A list of awards funded through previous calls is available at:
